YOUR SHOPPING LIST:

Available from all High Street/ Online Stationers: Rymans, WH Smiths; Amazon; Argos

Recipe for successful organisation

Writing Refill Pad/Paper

1 per subject or separate paper for each subject

Subject Dividers

At least two per folder

Plastic Wallets

At least two per folder

Decant Folder

At least one per subject

This is your Home Folder where all your notes are moved into at the end of a week Will need to be brought in for monthly Folder Checks

Travel Folder

1 per subject brought with you to every lesson

This is your 'day folder'

Main Sixth Form Equipment and Resource List

A sturdy rucksack/backpack large enough to carry A4 books and all equipment.

A Reading Book

This book can be fiction or non-fiction, so students could choose to bring in a novel or an information book. If students prefer to bring in a quality magazine or periodical, that would also be acceptable.

Basic Stationery Set

Contains: Highlighter, Pen (Green, Black & Blue), Compass, Protractor, Ruler, Pencil, Eraser and Pencil Sharpener

Pencil Sharpener

30cm and 15cm Ruler

Mathematics/Physics/ Biology

Protractor

Mathematics/Physics

Black, blue and green pens (at least two black pens)

2 HB Pencils

Transparent Pencil Case(This is the only type of pencil case you will be allowed into public examinations)

Scientific Calculator

Mathematics, Physics, Chemistry, Biology

Highlighter Pens

Compass

Mathematics, Design & Technology and Physics

SUBJECT SHOPPING LIST

Art &	Cost outlays will include sketchbooks, paints, pencils, brushes, Pritt stick
Graphic	and other Art based materials will be needed, depending on where
Design	·
J	student's work takes them. Students will also need to budget for printing
	credit and may want to use iPad too.
	Access to photoshop/iPads at home are useful for Graphic Design pupils.
	The Art department will supply paper, pencils and paint in class, but the
	above material list will be needed in order to work at home too.
Biology	As preparation the <u>Head Start to A Level Biology Guide</u> is recommended (£4.00)
	Students will be given full free access to the Kerboodle Online Digi book when they start the course:
	https://www.kerboodle.com/api/courses/18192/interactives/111859.html
	Existing Barking Abbey Students can look at this now with their AQA
	Double/Triple Science Logins. New students will receive logins after
	enrolment. Reminder that the school's institution code is: njw2
	Oxford Revise: AQA A Level Biology Complete Revision and Practice:
	Oxford University Press (oup.com) Revision guide £10.00 (School Price)
	will be ordered through the school
	Recommended Essential Maths skills for A Level Biology - £ 3.75
Business	A Level Business – Students should purchase the following revision book
(BTEC &	AS and A-Level Business: Edexcel Complete Revision & Practice with Online
GCE) &	Edition: for the 2024 and 2025 exams (CGP A-Level Business): CGP Books,
Economics	CGP Books: Amazon.co.uk: Books
	BTEC Business - It is recommended that the following revision guide is
	purchased for £10.99
	https://www.amazon.co.uk/Revise-National-Business-Revision-
	Guide/dp/1292230568/ref=sr 1 4?dchild=1&keywords=btec+level+3+busine
	ss&qid=1592999175&s=books&sr=1-4
	A-level Economics – Students should purchase the following revision book My
	Revision Notes: Edexcel A Level Economics Third Edition: Amazon.co.uk:
	Brewer, Quintin: 9781398311923: Books
Chemistry	" AQA Chemistry: A Level by Ted Lister and Janet Renshaw" however this
	is available online on Kerboodle which student can access on their
	phone/computer for free with their school account.
	https://www.kerboodle.com/api/courses/18192/interactives/111412.html
	If a student requires additional support with their Mathematics for
	Chemistry, there are two recommended books the first one is currently
	free to access online
	1) Maths Skills for A Level Chemistry Second Edition (Mcgowan Poole) 2018
	by Emma Poole (Author), Dan McGowan (Author)
	access via the link below
	https://en.calameo.com/read/000777721dc7bc9b4572e?authid=3XeN09XfQP12

	2) <u>Calculations in AS/A Level Chemistry by Jim Clark</u> book can be purchased from Amazon New copies £25.99. This book covers all calculations for the two-year course. All resources (revision guides, exam questions and PowerPoints) are available online for free in our SharePoint and on various websites.
Computer Science	All resources that will be needed for this course will be shared electronically with students.
Dance	Students will be required to have all black dance kit which can be purchased from the school supplier Uniform 7. This consists of a black t shirt with the option of a black dance jumper. Please see this Link for prices. However, if students already have plain black items as listed below, they can wear their own kit to reduce costs. • Plain black T-shirt (no oversized logos of motifs) • Black leggings or tracksuit bottoms
Design & Technology	Students should budget for some printing credit if their design work takes this. However, all design portfolios are now digital so printing costs can be kept to a minimum. The Technology Department would not expect this to cost more than £10 over the two-year course. All paper material is provided free for the students to design on. The necessary books are provided on condition of a returnable deposit of £20. This is returned at the end of the course. The only other costs may occur in year 13 if a student's designed product includes a component that the Department do not usually stock. These are usually purchased very cheaply online by the students.
English Literature	Texts are provided by the English Department, but if students would like their own copies of texts, all are available for easily under £10 per text via online or high street retailers. Students are expected to have at least two folders - one per teacher. These are the texts, where it is recommended students purchase so they can annotate their own notes on the pages - Shakespeare's Othello, - Tennessee Williams A Streetcar named Desire, - Chaucer's The Wife of Bath, - Mary Shelley's Frankenstein, - Margaret Atwood's A Handmaid's Tale.
Geography	As part of the A-level course students will undertake 4 days of fieldwork – cost varies and depends on location. We recommend purchasing the following Revision Guides: Geography for Edexcel Revision Guide Book 1 (AS Level) Geography for Edexcel Revision Guide Book 2 (A Level) We also recommend the use of Seneca for revision which is an excellent free resource.
History	There are no significant costs. Textbooks are provided to all students for the duration of their course. There are others available for them to buy if they wish but we provide photocopies of particularly useful chapters as needed.

There are opportunities to purchase extra photocopied resources but this would not exceed £10 over the academic year. For the coursework unit we begin in the summer term of Year 12 students need to undertake significant independent research on the topic of their choice and we normally recommend they purchase 1-2 books on their topic from Amazon (or similar those with used and new to keep costs low) which would on average cost £5-20 depending on how many and the topic chosen. However, to reduce costs further we do have a range of books within school we can loan out but these are on limited topics. Students do NOT have to purchase any books and we recommend using local libraries instead where possible. All resources are provided. Students do not need to purchase their own textbook, however, if they wish too, the link is here OCR Cambridge Technicals Level 3 IT by Victoria Ellis (Author), Graham Manson (Author), Saundra Middleton (Author), Maureen Everett (Editor) There is no expenditure over the 2 years aside from the usual stationery costs and the purchase of the Casio Class Wiz 991CW calculator Casio FX-991CW ClassWiz Advanced Scientific Calculator—Science Studio Textbooks are provided online in case students do not purchase a hard copyall enrichment days/activities/maths challenges/maths shows/photocopies are free of charge the link for the online textbooks are below: Username: bamaths Password: Pythagoras345 https://login.pearson.com/v1/piapi/piui/signin?client id=BRSIcPHr2IqQ NV8AQP99zDZau8IPUxgy&login success url=https:%2F%2Fwww.pearsonactivelearn.com%2Fapp%2Flogin AQA Textbook is highly recommended but is expensive if both new: Used copies are accessible from Amazon for half the retail price "AQA Physics: A Level by Jim Breithaupt" however this is also available online. Studies	do not need to purchase their own textbook, however, if they wish to, the link
	is <u>here</u>
Sociology	Textbooks and Revision Guides: For Years 1 and 2, textbooks can be borrowed using the deposit system on a first-come-first-served basis (£20 refundable deposit) however we do encourage student to purchase at the very least their own copy of the Year 1 textbook as these can only be loaned for one year during Year 12, but will still be needed for the summer A-Level exams of Year 13. If students do purchase their own copies (£24.99 each), we endeavour to sell these on at a 'second-hand' price (dependent on condition the book is in) to the year below once A-Level exams are finished. AQA A Level Sociology Book 1
	AQA A Level Sociology Book 2
	There are also two revision guides that we recommend for Year 1 and 2
	(£12.99 each).
	Succeed at A Level Sociology Book 1
	Succeed at A Level Sociology Book 2
	Purchasing details can also be found
	here: https://napierpress.com/buybooks
